

A close-up photograph of a doctor with glasses examining a patient's ear with an otoscope. The patient is wearing a black beanie and a blue plaid shirt. The text is overlaid on the lower half of the image.

Authentication
for the Self service
- temporary personal identity code

International student online authentication

- Bring your passport to your first appointment.
- The healthcare professional will check your identity from the passport.
- Your phone number will be checked and recorded.
- You will receive a 6-digit PIN code, which you should be sure to remember.
 - If you forget or lose the PIN code, you can no longer use the online services without a new authentication at an appointment.

International student online authentication

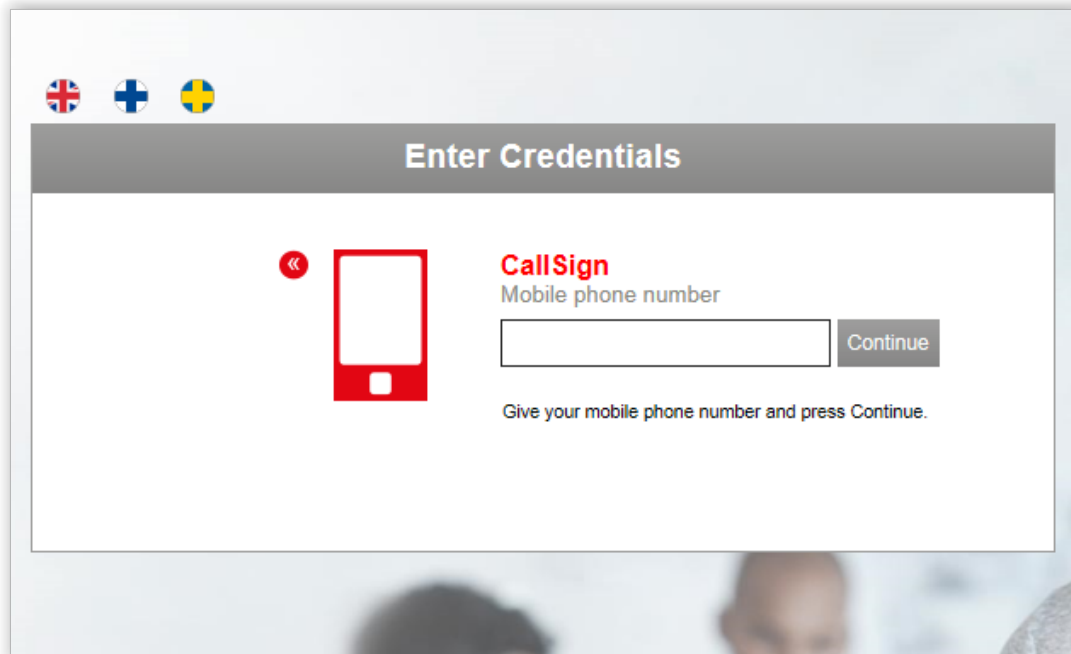

Go to the address yths.fi/en/self and click the Self logo or text link.

1. Choose the language (English, Finnish, Swedish) and choose CallSign.

Enter Credentials

« 

CallSign
Mobile phone number

Give your mobile phone number and press Continue.

2. Enter your mobile number into the designated field.
3. Click “continue”.

International student online authentication

4. When you log in to the Self service, the FSHS authentication machine will call the number you entered and ask for the PIN code that you have received during an appointment.
5. Enter the 6-digit PIN code that you received from the FSHS into your phone.
6. The machine will send an inquiry to the Master database to check that you are entitled to use FSHS online services.

BETTER STUDENT HEALTH

The screenshot shows the 'Asiointiverkossa' (Online Services) portal for YTHS (Ylioppilaiden Terveydenhoitosäätiö). The user is logged in as 'EP Emmy I Portaali' with ID '121289-901E'. The main navigation bar includes 'Etusivu', 'Varatut ajat', 'Lomakkeet', and 'Ohjeet ja linkit'. The left sidebar shows 'Tehtävät' (Tasks) with sub-sections 'Aktiiviset' (Active), 'Tulevat' (Upcoming), and 'Vanhentuneet' (Expired). Under 'Aktiiviset', there are two 'Ajanvarauslupa' (Appointment Request) cards, each with a 'Varaa' (Book) button. The right sidebar contains 'Varatut ajat' (Booked times), 'Lomakkeet ja kyselyt' (Forms and surveys), and 'Ohjeet ja linkit' (Instructions and links). The 'Lomakkeet ja kyselyt' section shows two 'Esitiedot / Yleinen esitietolomake' (Information / General information form) entries with timestamps.

- If the checked data match up, you will hear the message “The authentication was successful”.
- The Self service will open in the browser.
- You can check or change or cancel your appointment in the Self service.
